As a child the bride always dreamt of having a fairytale wedding. She wanted to be like Cinderella and transform into a beautiful princess. However, since she had many failed attempts at love she was convinced that her love life would always be more of a horror story than a fairytale. In *Celebrating Our Love*, you will read how the bride took the focus off herself and put it on the groom. She planned a storybook wedding that will have anyone who has given up on love, renewing their faith. Buckle your seatbelt and get your box of tissues. You're about to go on an emotional rollercoaster ride that will lead you on your personal journey to true love.
